**Fair Recap:**

- ❖ June 21, 2025 - next year's open show
- ❖ Senior fairboard is going to handle packer checks this year.
  - Gary motioned, Eric 2nd, motion passed
- ❖ Adult showmanship during fun night - \$10 to nominate an adult for showmanship and \$20 to scratch your name. You must pay a goat committee member to put a name on the list or to scratch your name. We need to use last year's winners as judges for showmanship on this night.
  - Dustin motioned, Olivia 2nd, motion passed
- ❖ Change Boer Breeding show to ONE show of boer breeding shown by age and ONE show of wether dams (slick sheared shown by weight). There will NOT be a percentage or full blood show. All breeding will be shown together with no papers.
  - Rorie motioned, Gary 2nd, motion passed
- ❖ Choose a supreme overall doe between breeding and wether dams.
  - Amended to previous motion, passed
- ❖ Laney Fourman is going to look into buying a TV to use at the fair for a buyer list slideshow. Her cap is \$600 for a TV and wall mount.
  - Bob motioned, Gary 2nd, motion passed (11 years, 1 nay)

- ❖ Discussion of buying our own scales with the sheep barn. Then we don't have to wait on the hogs.
- ❖ Discussion of moving the fitting contest to maybe Monday. Teams of two from any barn, maybe provide goats, etc.
- ❖ Leave fun night on Saturday, and have previous royalty help with passing out ribbons during dairy show Saturday afternoon.
- ❖ Discussion of announcing breeders during the Born and Raised show. We need to be more diligent about getting breeders during tag-in to help with this.
- ❖ Discussion of a start up goat program for first year exhibitors - need more research and talk with local breeders to see if they would be interested.
- ❖ Create a list of duties and assign Junior Fair kids to the list. Hopefully this will help organize our junior fair kids. Additionally, make a checklist of items to be done for fair by committee members.
- ❖ Look into getting banners for Born and Raised wethers and grand and reserve does.
- ❖ Post Rate of Gain Results in the barn
